RE: Peter Such

I've known Peter Such for over 30 years, firstly as a top quality off spin bowler and competitor during his playing days and more recently as a coach whilst occupying the position of National Spin Lead. During this time he put together and hosted a number of sessions for our pathway spinners at the National Performance Centre in Loughborough. I have found him hard working, passionate and knowledgeable in all areas of spin bowling, he has a genuine love for spin. This was very evident whilst working with Yorkshire's young spin bowlers last winter, both at Headingley and also in Mumbai. The lads really enjoyed working with him and it was clear to see that they had improved. I'd have no hesitation in recommending Peter as both a person and a quality coach.
