

**CRICKET
IRELAND**

Peter Such recently delivered two Zoom workshops on spin bowling to our Senior Men's International Team as well as a combined session involving all the spin bowlers on both the Women's and Men's Pathway. Both Players and Coaches were quick to message how valuable they found it.

I thought it was an excellent presentation and well balanced on all areas of spin. I'm sure the players left feeling inspired to get back out there to work on their basics, whilst also wanting to explore and work on different areas, adding skills or new tactics. I thought the combination of lecture, video, demonstration and notes worked really well.

On behalf of the Players and Coaches, I want to thank Peter greatly for sharing his knowledge with us on both the art and science of spin.

Peter Johnston

Academy and Performance Manager

Wolves Head Coach
